

NEMI SHAREHOLDERS APPROVE GOING PRIVATE TRANSACTION

July 29, 2016 – Vancouver, BC, Canada. NEMI Northern Energy & Mining Inc. (CSE: NNE) (“NEMI” or the “Company”) is pleased to announce that at the Annual General Meeting of shareholders held this yesterday, NEMI shareholders voted 98.52% in favour of the proposed going private transaction to be completed by consolidating NEMI’s outstanding common shares (the “Consolidation”) previously announced on June 10, 2016.

Under the approved terms of the Consolidation, NEMI’s outstanding common shares will be consolidated on the basis of one post-consolidated common share for each 400,000 pre-consolidated common shares and all fractional shares resulting from the Consolidation will be cancelled and holders will receive a cash payment of Cdn \$0.71 (the “Consolidation Price”) for each cancelled common share held immediately prior to the Consolidation becoming effective (with no amount payable to any shareholder who would be entitled to receive, net of withholding taxes, less than \$10).

As previously disclosed, it is anticipated that, upon completion of the Consolidation, Mr. Michael Cooney, NEMI’s Chairman and Chief Executive Officer, and Mr. Todd Hooper, a former Director who is currently at arm’s length to the Company (together, the “Majority Shareholders”), will be the sole remaining shareholders of the Company. Shares held by Mr. Cooney and Mr. Hooper were excluded from the vote in respect of the Consolidation.

Trading of NEMI’s shares on the Canadian Securities Exchange has been voluntarily halted effective the open of the market today, July 29, 2016, to assist NEMI and its transfer agent with settlement and entitlement issues in connection with effecting the Consolidation.

Completion of the Consolidation remains subject to the fulfillment or waiver of certain conditions precedent, including receipt of confirmation that no person other than the Majority Shareholders hold more than 400,000 common shares immediately prior to the Consolidation. Upon all conditions precedent having been met or waived, NEMI will issue a news release announcing the date on which the Consolidation is to be effected.

Once the Consolidation is completed, NEMI intends to apply to have its common shares delisted from the Exchange and intends to apply to cease to be a reporting issuer with the applicable securities regulatory authorities.
